

**COLORADO STATE UNIVERSITY  
OFFICE OF ENGAGEMENT AND EXTENSION**

**05-23 Area Extension Agent, Agronomy/Weed Science, Sedgwick County, Golden Plains Area**

The individual in this position works as a member of a team of County and Colorado State University Extension professionals. This individual is an employee of Colorado State University and works under the supervision of the Golden Plains Area Extension Director. Working with other agriculture and crop production agents, the individual will provide leadership, guidance, direction and assistance in the development and implementation of the overall Agronomy/Weed Science program in Sedgwick County and the Golden Plains Area.

The primary office location is in Julesburg, CO. This position is eligible for hybrid work. The individual in this position is expected to maintain a balance establishing a presence in the primary office and working in the field to effectively carry out the duties of the position.

Completed master's degree. Degree (or One degree) must have been conferred in plant science, agronomy, crop and soil science, bio-ag science, weed science or a closely related field.
