---

---

---

---

A written confirmation of the intent to effectuate the Boundary Line Adjustment signed by owners of all affected parcels is required.

The following criteria must also be met:

- No new parcels shall be created.
- No access to roads or utilities shall be lost.

- Parcel mergers shall occur by recorded deed, which shall be provided to the County Administrator.
  - The Boundary Line Adjustment does not significantly change the existing character of the development or conflict with applicable sections of the Comprehensive Plan.
