

Phillips County is now accepting applications from Phillips County businesses for available Coronavirus Relief funds.

Phillips County understands the challenges that small businesses in our communities are facing due to the COVID-19 pandemic. With that in mind, we have established a program to provide grants to businesses located in Phillips County.

The State of Colorado has appropriated, through the Department of Local Affairs, COVID Relief funds to distribute to small businesses for reimbursement of business interruption costs, unbudgeted expenses, and other reasonably necessary COVID-19 related expenses incurred during a period that began March 1, 2020.

Applications can be picked up at the Phillips County Courthouse, Administrative Office, November 23 – 25 and November 30 through December 3, 8:00 am to 4:30 pm, or can be found on the Phillips County website, phillipscounty.colorado.gov.

All applications must be received by **December 4, 4:00 pm** at the Phillips County Administrative Office, 221 S. Interocean Ave., Holyoke, CO 80734. Questions regarding the application should be directed to County Administrator Pam Jensen at 970-854-3778.
