AGREEMENT TO RECYCLE METAL

This agreement is between Phillips County ("County") and _____ ("Contractor"),

Address, City, State, Zip Phone

for the purpose of recycling scrap metal at the Phillips County Landfill, 22736 Co Rd 29, Holyoke, Colorado.

"Contractor" agrees to remove the entire metal stockpile within 90 days of contract approval.

Each load shall be weighed and logged before leaving the landfill site.

Equipment for the purpose of recycling will be provided by "Contractor". Use of landfill equipment will not be allowed unless expressly permitted by the Landfill Manager.

Recycling efforts must occur during normal operating hours. Any exceptions would only be made with the approval of the Landfill Manager.

The metal shall be sold on a weekly basis.

- 60% of the proceeds will be retained by "Contractor"
- 40% of the proceeds will be paid to "County" by "Contractor"

Sales receipts will be provided to "County".

In witness whereof, the parties "County" and "Contractor" both accept the terms of this agreement.
